PROGRAM COMPONENTS

**Family Involvement**
The YMCA is increasingly emphasizing the involvement of families in all of our programs. We stress this involvement because we realize that to effectively help a child achieve his/her fullest potential, the family is the primary support.

We intend to involve the families of day campers in the following ways:

a. Take-home materials/newsletters.
b. Craft projects to be completed at home.
c. Parent volunteers and guest speakers.
d. Each Friday, our Day Camp invites all parents to our weekly award/skit ceremony.

**Values Exploration**
The YMCA has four core values. These values are RESPECT, CARING, RESPONSIBILITY and HONESTY. Each program will approach these values differently; each week we will focus on a different value. We do ask for your help as a parent for some activities may require assistance at home.

**Outdoor Education**
Living in Alaska, our children need more education about the outdoors than most. Outdoor education is the basis for most of our Day Camp program. The lessons get more involved, in depth, as our campers get older and progress through the program.

**Incentive Program**
Every program uses incentives as a motivational tool for positive reinforcement. As your child ages, the incentive become more challenging. We currently use beads, certificates and bandannas. Please ask your child about incentives, this is their mark of achievement in our program.
YMCA SUMMER DAY CAMP POLICIES

All parents, through the Parent Authorization Sheet have agreed to abide by the following policies. Please read and understand all components and ask questions for sections that are unclear to you.

Arrival and Departure
1. All children need to be signed in daily. Only someone listed on the emergency record form may sign a camper out daily. A person needs to be older than 16 years of age to sign a camper out of the program.
2. Do not be offended if you or someone you have allowed to sign your child out is asked to present an I.D. This is for the safety of your child; it will take a couple days to recognize faces.
3. We need written and signed permission by the parent/guardian to release a child to someone not listed on the emergency record card.
4. You will be charged $1/minute late fee per child, which is added to your bill when your child is picked up after 6:30 p.m.
5. Please have your child at Camp by 8:30a.m. Late arrivals cannot always be accommodated. Our bus leaves promptly at 9:00am for field trips. Activities are scheduled on a tight time line. We cannot wait for late campers.
6. If you have to make a doctor’s appointment for your child please give YMCA Staff notice before the appointment date. Arrangements will need to be made in advance with the camp director and the camper’s counselor to insure safe pick up or drop off of your camper.
7. If you need to pick up your child before 4:00pm arrangements must be made with the Camp Director, in advance.

Attendance
1. If your child will not be attending camp on any given day, please notify the site desk at 360-1588 (Reminder, there are no refunds on missed days)
2. No drop-in participants will be permitted.

Behavior
YMCA staff model the 4 core values of CARING, HONESTY, RESPONSIBILITY, AND RESPECT. By modeling these 4 core values it provides the children with examples to follow creating a positive and supportive environment. Unfortunately, behavior problems occasionally occur at our summer programs. Behavior problems will be handled in the following manner:
   a. Minor misbehavior – counselor will use positive redirection and give child an example of appropriate behavior.
   b. Intervention-counselor/child will acknowledge the problem immediately and discuss better alternatives.
   c. If behavior continues the child may be pulled aside from the activity so a counselor can explain to the child why his/her behavior is being disruptive. The child’s actions may be documented with an incident report and discussed with parent at pick-up time.
   d. The site director may request a parent to immediately pick up a child if the child’s behavior is endangering him/herself, harming other children or staff, or putting the group in a dangerous situation.
If a child’s behavior is out of control and/or harmful some of these steps may be skipped. More serious offenses may result in immediate suspension from the program. Other repeated misbehaviors may also be cause for suspension.

6. The YMCA tax I.D. number is 92-0034878.
7. If the child is on an assistance authorization the authorization sets the terms of enrollment. You must already have an assistance authorization in hand to enroll your child. If your authorization expires during the summer, you must have a new authorization issued before the end of the month when we bill assistance. If we do not it is your responsibility to pay your month bill in full. If you are unable to pay and do not have a current authorization your child will be suspended until payment or authorization is received.

10. A $5.00 fee will be charged for special field trips throughout the summer. Fees will be billed at registration.

**Financial Assistance**

The Anchorage Community YMCA will not deny participation in any of our activities because of an individual’s lack of funds. While participants are expected to pay their fair share of the operating costs, YMCA financial assistance can be obtained by applying through the Program Director, David Koch. Proof of financial need is required. Funds for the YMCA financial assistance have been made available through our annual Strong Y Campaign.

Choosing care for your child is a significant decision. When you entrust the care of your child to another person, you are making an important decision. Visit, ask questions and carefully compare several programs. Licensed care includes child care and educational homes and centers. Your choice depends on what you want and need for your child.

Licensing is a key to quality child care. It promotes good care by setting basic standards. Before a center or home is granted a child care license, it must meet health, safety, and program requirements (see summary on back of this sheet). A Child Care Licensing Specialist from the Municipality of Anchorage visits and inspects the facility and investigates complaints. The goal of licensing is to prevent risks to children; however, licensing cannot guarantee that a facility meets all code requirements at all times.

You as an informed parent are a key to quality child care. Parents are responsible for choosing and monitoring their child’s care. Licensing specialists visit one to four times a year, but you visit each time you take your child. Visit unexpectedly sometimes or in the middle of the day. Keep an eye on the quality of care. What do you see when you visit? Is the environment safe? Are caregivers capable and nurturing? How many children are present? Are meals nutritious? Are activities appropriate? Watch how your infant responds to the program and listen to what your child says. You are the person best able to decide whether child care meets your standards for safety, health, and quality.

If you have questions or concerns about your child’s care. Discuss concerns with your caregiver. Talk to the caregiver if you observe health or safety problems or if you feel the program needs improvement. If you are still concerned, or if you believe children may be in danger or a standard is violated, contact the local licensing office. The licensing office will investigate your complaint.
