YMCA RESIDENT CAMP PEGGY LAKE PHILOSOPHY

General Camp Description

YMCA Camp Peggy Lake is surrounded by 320 acres of rustic wilderness located about 100 miles north of Anchorage on the Parks Highway. The camp is a wonderful setting for campers to enjoy water activities, hiking trails, forests, marshlands and the beauty of Alaska's magnificent environment. Campers engage in activities designed to develop the four YMCA Character Values of CARING, HONESTY, RESPONSIBILITY, AND RESPECT. It is also our goal to help the campers develop self-esteem, a strong sense of community and an appreciation for our natural environment.

YMCA Camp Peggy Lake Philosophy Statement

Camp Peggy Lake is far more than cabins, tents and activity areas. Activities and facilities are merely tools we use to teach basic values. Learning activity skills is secondary to developing interpersonal ones. Camp Peggy Lake was created and continues to be fun for the benefit and the growth of the camper. We, as staff, are here for them. We believe that campers should have the opportunity to grow physically, socially, mentally and spiritually at camp in a warm, positive environment. We believe that the atmosphere necessary for growth requires a safe environment, a variety of experiences, and as much camper involvement as possible.

Campers learn by doing. We will encourage the spirit of exploration and high adventure. It is our hope that at Camp Peggy Lake, everybody wins. Individual decision-making helps campers take responsibility for themselves and learn that any decision often affects others. We believe that setting limits on behavior as they relate to health, safety or the group good is reasonable, but the reasons behind limits should be explained.

We believe that the physical environment of Camp Peggy Lake is a limited resource that should be highly valued. We will strive to encourage conservation and respect for our environment. Diversity in ethnic and socio-economic backgrounds provides a fertile ground for learning tolerance and cooperation. Campers and staff are equal citizens with differing responsibilities.

YMCA RESIDENT CAMP PEGGY LAKE POLICIES

All parents, through the Parent Authorization Sheet have agreed to abide by the following policies. Please read and understand all components and ask questions for sections that are unclear to you.

Care Package

As all children enjoy receiving care packages, we encourage parents to send a little something for them. I will pass something out to your campers each day. Attach a list of which items you would like passed out each day at "Mail time" A shoebox is a great size for putting your items in. Here are some suggestions for putting your child's care package together: To keep cabins bear proof we do not allow food to be sent in the care packages. Instead think of things like: stuffed toys, pictures of family members, letters/cards from home to open each day, and paper and pencils for writing about their experiences are all great ideas. **REMEMBER NO WEAPONS (TOY OR REAL).**

Discipline

Keeping all campers busy, busy, busy and having fun, fun, fun, combined with clear rules and expectations will be our first and foremost way to limit discipline problems. Any discipline problems will be handled on a camper-by-camper basis with common sense and creativity. Positive behavior will be rewarded (extra swim time, extended bed time, etc.) while negative behavior will result in reduced privileges. In the unlikely event that a camper's behavior is dangerous, inappropriate or interfering with the safety and enjoyment of other campers, dismissal may be the result. In the event of a camper's dismissal, it will be the parent(s)/guardian(s) responsibility to come and pick their child up.

At no time will spanking be allowed in any YMCA program. Any employee found to be physically abusing any child is subject to immediate dismissal.

Campers, who are dismissed from camp for disciplinary reasons, will NOT receive a refund for that week of camp.

Emergencies

In the case of emergencies, the staff will make every effort to obtain necessary treatment instructions from the parent/guardian. If parent/guardian or emergency contact cannot be contacted, emergency treatment will be administered and parent/guardian notified as soon as possible. It is important to know that there is an emergency medical center a few miles from camp.

Illness

YMCA Camp Peggy Lake does not carry Accident or Sickness Insurance on summer youth campers. It is the policy of YMCA Camp Peggy Lake not to keep sick campers for more than 12 hours after parent/guardian is notified.

Cell Phones

Campers will NOT be allowed to use cell phones while at camp. Please do not allow your camper to bring one to camp. YMCA Camp Peggy Lake will not be held responsible for lost or stolen phones.

Swimming Program

All campers are required to take a swim test each Monday of camp. Non-swimmers and children who are not strong swimmers will be required to wear a life vest while down at the water front. While boating, ALL children and counselors are required to wear a life vest. Every effort is made to insure your child's safety around the waterfront and boating areas. The waterfront is only open when there is a certified Lifeguard on duty! In addition, all camp staff is trained in CPR and First Aid.

Camper Records

All records will be kept confidential; however, we will make them available to authorized regulatory agencies when required.

Meals/Snacks

On the bus ride up to Peggy Lake we stop in Wasilla and have lunch. Your camper needs to pack a sack lunch to bring with them on the ride to Peggy Lake. Once at Camp all meals and snacks will be provided. If your child has dietary restrictions please note on the **Authorization & Emergency Information Form** and speak with the Camp Director.

Releasing Campers

A camper will be released only to his/her parent(s) or guardian(s) or to those that are designated on the camper's emergency record.

Phone Calls

Campers will not have access to phones unless it is an emergency. If you have questions or concerns about your camper please call the Anchorage Community YMCA at (907) 563-3211. The camp will have cell phones for emergency use and can be contacted only by the Anchorage Community YMCA.

Smoking

1. Smoking is not permitted in any YMCA facilities, parking lot, or up at YMCA Resident Camp Peggy Lake.
2. Campers are not allowed to smoke. Any camper caught smoking will be suspended from the program.
3. Staff is not allowed to smoke on work time and may not smoke in front of the campers or on YMCA Resident Camp Peggy Lake property during their breaks.

Sunscreen

Parent(s)/Guardian(s) must supply a sunscreen product for application to the children. The counselors will supervise the application and remind the campers to apply it throughout the day. There should be an initial application in the morning, and re-application throughout the day after swimming, sweating, or later in the day when the initial application naturally wears off. If your camper refuses to re-apply sunscreen, you will be required to pick up your camper from camp in 3 hours. Campers should wear a minimum of a SPF 30 product, but this may be higher if the child has the characteristics for a greater chance of burning (red hair, fair skin, etc.).
